Dear Broker

IMPORTANT NOTICE

With the move to Santam, there has been a new development in respect of our **Personal Legal Liability** cover offering. This is effective immediately in respect of new business and from 1 November for existing business.

The basic cover is no longer up to R25million, but split as follows:

Basic cover	R5 million - premium R5 p.m. and R60 p.a.
Extended Liability (PLIP)	R20 million - premium R15 p.m. and R180 p.a.

The extended Liability cover is optional, but for now, we will be including it in policies renewing in the future. Should a client not require this extended cover, please advise us so that we may amend the policy accordingly.

Please also note that SASRIA sent out a circular in July (to all intermediaries) advising that the **minimum premium** in respect of Pleasure Craft will increase to R50 p.m. and R500 p.a. This is effective from 1 October for new business and from 1 December for renewal of existing business.

Should you have any queries, please don't hesitate to contact us.

Kind regards
